January 2017 McBee Calf Roundup Sale Report

On January 10, 2017, McBee Cattle Company customers sold Braunvieh and Braunvieh cross geneticall verified calves through the Missouri Valley Commission Company in Boonville, Mo. Six different weight groups of steers and heifers were sorted to be marketed in larger groups. At least four of the weight groups were sold as truck loads or close to truck load lots. The groups sold as follows:

433 lb. steers @ \$139.00	439 lb. heifers @ \$130.00
491 lb. steers @ \$138.50	472 lb. heifers @ \$130.00
561 lb. steers @ \$134.25	566 lb. heifers @ \$127.50
632 lb. steers @ \$132.10	629 lb. heifers @ \$125.50
705 lb. steers @ \$131.50	712 lb. heifers @ \$123.00
821 lb. steers @ \$128.10	790 lb. heifers @ \$115.60

The McBee Calf Roundup is held twice per year to allow our bull customers a market for their calves in larger groups than selling by themselves. The calves are grouped by size and sex with our calves and other customers' calves. The next Roundup will be in August 2017 for fall calves.
